BATTLE ROAD MUSTER

26 March 2022

(Rain Date: 2 April 2022)

The Regiment will appear under the command of Lieut-Col Robert Falotico for the **Battle Road Muster** scheduled for Saturday 26 March 2022. This event will serve as our “Shakedown march” for the year, our last chance to inspect uniforms and kit for final corrections before the Lexington Green rehearsal. Note that the Park Service considers this as “required” for all those wishing to appear in park events over Patriot’s Day weekend, and thus also is required for members of the 10th.

There are two locations for this event; the MMNHP Visitor Center, for members of our Civilian Corps who will be serving as Guides or Evacuees, and Hartwell Tavern, for our uniformed members. Travel is by private vehicle. Car-pooling is HIGHLY recommended. Parking will be at the Visitor Center lot or the Hartwell Tavern lot, both on route 2A in Lincoln.

For uniformed soldiers, dress shall be No. 2: natural wigs, short gaiters for all ranks (Officers may wear boots in lieu shoes and gaiters), and haversacks to be worn over belting. All firelocks are to be equipped with woods, flash guards and hammerstalls. There will be no firing, but

National Parks representatives will be inspecting all troops for proper equipment. Civilian attire should be appropriate according to the Park's requirements. The event will last for ~4½ hours so canteens should be filled with water and everyone may want to carry a period appropriate snack.
